

LISTEN CLOSELY

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

YMCA of Central Florida | 2012 Annual Report

...and you'll hear a lot of people talking about the things that are wrong with society these days.

SHORTFALLS IN EDUCATION,
wondering how today's budget-
strapped schools will ever be able to
prepare children for success.

HEALTH PROBLEMS
that plague the public, citing
statistics about the staggering
rise of obesity, heart disease,
and health care costs.

THEY TALK ABOUT

THE DECLINE OF FAMILY VALUES,
lamenting the number of children
forced to grow up without strong
role models in their lives.

AND MOST OF ALL,
they talk about the breakdown of community in
general, pointing to the growing division between
those who have the most and those who have
the least, and worrying about how today's
problems are going to affect future generations.

AT THE Y,

we're well aware of the challenges facing society these days. But you won't catch us waiting for someone else to solve the problems. **Instead, over and over again, when an issue confronts our community, the Y is...**

TAKING ACTION

So let someone else rail against what's wrong with society. We'll be rolling up our sleeves and working to change it. Let others complain about the way things are done today. We'll be coming together to create a new way of doing things today and tomorrow. Let the world, whine, worry and wonder what to do next.

The Y is taking action.

As 2012 Metropolitan Board of Directors Chair, HELENA RYAN draws on her passion for the Y cause as she provides valued leadership and forges personal connections with Y kids, volunteers and staff. And as Chair of our Strategic Planning Steering Committee, she will continue providing leadership through 2014 as the Y establishes our next long-range strategic plan.

THE Y IS TAKING ACTION TO

EMPOWER

EVERY KID IN EVERY COMMUNITY

Some children are lucky. They never have to worry about where their next meal is coming from. They never have to walk home from school in fear of what might happen in their own neighborhoods. They never have to wonder how they're going to pay for clothes, food, school supplies and college. They always have someone around to help them with their homework, drive them to soccer practice, make them feel loved, cared for and valued. Unfortunately, not all children grow up with such advantages.

The robotics team in our AFTERSCHOOL ZONE PROGRAM at Avalon Park Middle School. The program is made possible through a partnership with Orange County government and Orange County Public Schools.

We can get angry about the wrongs in our world. We can conduct studies and create charts and graphs that detail the growing differences between the upper and lower class. We can shake our fingers at a society that created such disparity. Instead,

THE Y IS TAKING ACTION

FOR YOUTH DEVELOPMENT

FIGHTING THE GROWING ACADEMIC ACHIEVEMENT GAP AMONG OUR COMMUNITY'S YOUTH

The Y is integrating education and reading into all our programs, especially summer camps. By making these programs available in challenged communities, the Y keeps many kids from falling behind during the summer and allows them to start the next school year at the same level as their classmates. Our Youth Development curriculums give parents peace of mind and reduce their stress knowing that we focus on:

TEACHING VALUES that help prevent youth violence

REINFORCING READING, which guards against dropping out

ENCOURAGING HEALTHY LIVING, which curbs childhood obesity

HELPING DISADVANTAGED KIDS BUILD CONFIDENCE AND HOPE FOR THE FUTURE

Children who grow up surrounded by poverty can feel powerless to change their path in life. To help change this, we recently expanded the Y **Links2Learning Program** to the **South Orlando Y** in connection to the **Lockheed Technology Center**. Kids learn golf as a lifelong sport and the values, sportsmanship and self-esteem that go with it, and receive academic support they need to win in school and life.

A PROVEN TRACK RECORD IN MIDDLE SCHOOL YOUTH DEVELOPMENT

We don't just talk about the success of our Youth Development programs, we invite the measurement of outcomes. For 14 years, our **Afterschool Zone** middle school programs have had a real impact on more than 160,000 students' lives. When the Y comes to a community, attendance and grade point averages go up and the number of juvenile justice referrals goes down.

PROVIDING PARENTS WITH THE SUPPORT THEY NEED TO RAISE GREAT KIDS

When children from single parent or dual parent working households are left unsupervised after school, they can make bad decisions and get involved with destructive behaviors. In 42 Orange County Public Schools (OCPS), the Y turns free time into "**Y-Time**," when children are provided a safe and enriching environment after school. Last year, the Y provided **\$2,044,000 in scholarships and subsidies** to these programs.

CREATING NATIONAL MODELS

It's because of this proven track record that the YUSA is partnering with the YMCA of Central Florida to develop new national models for youth development programs.

In partnership with the Harvard-initiated BELL organization, the Central Florida Y was selected to launch an award-winning summer learning program that will be offered free to 100 kids this summer at McCoy Elementary School, a Title 1 institution. This model builds upon the YUSA afterschool partnership program already established at McCoy in partnership with Orange County Public Schools (OCPS).

At West Oaks Elementary School, we use the nationally-recognized YMCA Reads! Program, teaching reading skills to students in Kindergarten, 1st and 2nd grade who are currently reading below grade level.

In 2012 Chase Bank funded our partnership with OCPS to develop an afterschool and summer reading curriculum at Union Park Middle School that will become an OCPS replicable model for outcome-based programs.

GENTLEMEN OF EXCELLENCE SETTING GOALS. REACHING HIGHER IN MIDDLE SCHOOL.

Our new Middle School Achievers Program (MAP) draws on the Y's successful Teen Achievers model to provide the early mentoring and academic support younger students need to get ahead of college and career planning. The young Gentlemen of Excellence, a small group within our MAP, formed in 2012. Strong, handsome, polite and confident, this is not your typical group of boisterous pre-teens, and not just because they wear bow ties. They are committed to learning the values, good manners and empathy that will help them grow up to be the caring, responsible citizens of tomorrow. And with research showing that 90% of children who participate in programs like MAP graduate on time, the Y is expanding this important program to schools all across Central Florida.

THE Y IS TAKING ACTION TO MAKE THE

ROAD TO WELLNESS

MORE PERSONAL EVERY DAY

The numbers don't lie. Half of all Americans have at least one chronic disease – heart disease, diabetes, high blood pressure, stroke and cancer – many of which are related to obesity. Nearly one-third of Floridians are obese, and if that trend continues, the number will double by 2030. Things are not looking better for the next generation, with one-third of Florida children obese or overweight. As a result, diabetes has doubled in children and tripled in teens over the past 30 years. These realities are why U.S. health care costs are projected to skyrocket to \$344 billion by 2018, with the Centers for Disease Control warning that obesity-related conditions could bankrupt our national healthcare system if the crisis isn't addressed. Our community and nation are facing an unprecedented health crisis.

We could spend our days quoting scary statistics. We could look around for someone to blame, from the fast food restaurants to soda manufacturers. Instead,

THE Y IS TAKING ACTION

FOR HEALTHY LIVING

REINVENTING THE OSCEOLA Y TO STRENGTHEN A COMMUNITY IN NEED

With increasing unemployment rates and foreclosures putting added burden on the families of Osceola County in the past few years, the Y knew it was time to take action. In 2012, we completed a **significant renovation of the Osceola County Y**, transforming it into a vibrant new community hub. Every day at the new Family Center, kids learn life lessons, people of all ages grow healthier and stronger, and an entire community comes to together to provide mutual support to their friends and neighbors. Now, despite troubled times, the foundation of the community is stronger than ever.

JOINING FORCES WITH HEALTH CARE PROVIDERS TO CONNECT PATIENT TREATMENT WITH PREVENTION AND REHABILITATION SERVICES

A remarkable transformation is under way at the **Frank DeLuca YMCA Family Center** with a revolutionary partnership with the **Munroe Regional Medical Center**. Thanks to this significant commitment from the hospital, the **Frank DeLuca Y** will feature a state-of-the-art rehabilitation center in which people with cardiovascular, pulmonary and orthopedic issues will receive top-notch medical treatment in a friendly Y setting.

TACKLING CHRONIC DISEASE WITH COMPREHENSIVE PROGRAMS

People suffering from serious health problems need help to take charge of their health. And they'll find it at the Y with personalized and supervised programs such as the **YMCA Diabetes Prevention Program** and health education in our youth programs. With our support, individuals get to the root of their challenges and learn exactly how to change their eating habits, their exercise routines, and ultimately, their lives.

DEBBIE AND HOWIE APPLE PEDALING FOR PARKINSON'S: VITAL HEALTH SUPPORT

After being diagnosed with Parkinson's Disease three years ago, Howie Apple – endurance cyclist, marathon runner, retired biomedical engineer – responded by taking his health into his own hands. As members of the YMCA Crosby Wellness Center, they helped launch the Pedaling for Parkinson's group in conjunction with the Winter Park Health Foundation and the Pedaling for Parkinson's Foundation. Now nearly 20 people strong, the group meets three times a week for vigorous workouts on stationary bikes which track participants' progress that can then be shared with doctors. While not a cure, the routine, combined with traditional medical care, appears to delay the disease's progress and has been shown to reduce symptoms by as much as 35%.

REINVENTING THE DR. P. PHILLIPS Y AND FRANK DELUCA Y INTO HOLISTIC CENTERS FOR LIFELONG HEALTH, WELLNESS AND DISEASE PREVENTION

The Y has always been more than a health club. We work to develop people from the inside out, with the goal of inspiring men, women and children to change their lives, not just their looks. And now our approach is coming to life in a more exciting way than ever at the new Dr. P. Phillips Y and the Frank DeLuca Y.

Equipped with programs and services that encompass the full spectrum of health and wellness, these Ys are reinventing the way people think about and work towards a healthy lifestyle. The new Y model will include:

HEALTHY CAFÉS, where members can grab a nutritious meal after working out or learn how to prepare healthy, delicious food for themselves and their families in **Y healthy living teaching kitchens**.

HEALTH CONSULTATION ROOMS where members can meet with **trained Y and medical professionals** who can assess their current level of health and develop plans for achieving wellness goals.

REHABILITATION CENTERS where members will **receive therapy** and enroll in prescriptive programs for injuries, cardio rehab, post-cancer strengthening and other threatening health issues.

FITNESS CENTERS that offer **personalized services** for people at every point on the continuum of health. Whether they are a health seeker just starting out, a moderate exerciser ready to step up, or a highly motivated member seeking specific training support to reach personal goals, the new Y will be ready to help.

SWIMMING AND AQUATICS activities in **easy-access pools** that enable older adults to stay active and independent, even when dealing with age-related issues such as orthopedic problems, back pain, or knee and hip replacement.

The Dr. P. Phillips YMCA Family Center is the community's front porch, a place where neighbors and friends can depend on to come together for life-enriching Y programs. So, we are answering the call by enhancing the Dr. P. Phillips Y as the model Y of the future to deliver even more progressive prevention services to the community.

THE Y IS TAKING ACTION TO BRING SUPPORT

AND RESOURCES TO THOSE WHO NEED IT MOST

Some communities in Central Florida need a little extra support from organizations who commit to help not just one day, one month or one year, but sustainably. The Y can't look the other way. We reject the idea that some communities must settle for fewer resources and opportunities than others. The Y is taking action – and has invested even more in 2012 to make the Y available in the most economically challenged communities.

REINVENTING OUR SWIMMING POOLS MAKING EXERCISE ACCESSIBLE TO EVERYONE

When high-impact and heavy-resistance exercises are just too much to handle, water-based workouts offer a great way to stay active and healthy. That's why we are so proud of the new pools planned for the Winter Park and Blanchard Ys. Designed for easy access, the pools enable members of all ages and abilities to participate in aquatic exercise and maintain the dignity and independence they deserve. And with fun fountains, a safe climbing area and playful water features for kids, our pools are a perfect place for the whole family to come together, cool off and forget the stress of the day.

In Osceola, with the support of Dr. Phillips Charities, Wayne Densch Charities and the Osceola County government, families are connecting at the Y, where kids receive quality child care while their parents work and the entire family can come together to take control of their personal health and find opportunities to give back to others in their community.

THE Y IS TAKING ACTION

FOR SOCIAL RESPONSIBILITY

SERVING DESERVING FAMILIES AND COMMUNITIES THROUGH OUTREACH Ys

Eleven of the Y's **20 local Family Centers** are **Outreach Ys**, which serve **Pine Hills, Tangelo Park, South Orlando** and other financially challenged communities. In 2012, we provided **\$4,213,000 in community services** for these Ys and supported **51% of members with scholarships** that enabled them to take advantage of all our offerings. By providing Y-quality programs, services and facilities to people who truly need them the most, the Y is helping families reduce stress and grow stronger. We're also creating vibrant centers of pride, activity and connection for the entire community.

KEEPING OUR DOORS OPEN TO EVERY MAN, WOMAN AND CHILD WHO NEEDS US

Last year, the Y provided **\$3,035,000 in scholarships** to support **10,057 individuals and families** in need. And we will continue to welcome individuals, year after year, who cannot afford the Y on their own.

UNITING COMMUNITIES ACROSS CENTRAL FLORIDA AND THE WORLD.

While Central Florida has grown at all edges of the community, the Y continues to bring people together - united in a shared cause to strengthen the foundation of the community. In 2012, more than 2000 people joined us from across the region at our two annual events: our **21st Annual Arthur "Pappy" Kennedy Prayer Breakfast** in commemoration of Dr. Martin Luther King, Jr. with guest speaker **U.S. Senate Chaplain Barry Black**, and **Gigi Graham** for our **18th Annual Celebration of Prayer**. This year, members and staff from Brevard County to Marion County sent more than **20,000 shoeboxes** filled with gifts, and daily items we take for granted to kids in war and poverty-torn countries worldwide. Uniting the community through **Operation Christmas Child** is a great example of action behind the Y cause.

WE TAKE ACTION by convening over 2000 guests annually for our Arthur "Pappy" Kennedy Prayer Breakfast in commemoration of Dr. Martin Luther King, Jr., and our Celebration of Prayer Breakfast. For the 2012 Martin Luther King, Jr. event, guest speaker Barry C. Black, 62nd U.S. Senate Chaplain, inspired an audience of more than 1000 from Brevard, Osceola, Orange, Seminole, Lake, Marion and other nearby counties.

The lives that we change today are changed because of those who support us.

With the support of our strategic partnerships with leading philanthropies, local governments and businesses, the Y puts our cause in action every day in more than 100 neighborhoods throughout Central Florida.

DR. PHILLIPS CHARITIES: A WORLD CLASS PARTNER AND ADVOCATE

Because of the unwavering Dr. Phillips Charities' 30 years of commitment to the Y and our cause, our organization has been transformed.

THIS YEAR WE CELEBRATE 10 YEARS AS THE PRIMARY SUPPORT AGENCY FOR DR. PHILLIPS CHARITIES.

Dr. Phillips Charities has taken action to empower the Y to unite diverse communities, to establish facilities in underserved communities and to impact tens of thousands of kids and families throughout Central Florida.

Jim Hinson led the first capital campaign to create the Dr. Phillips YMCA 30 years ago, and today continues to challenge us to think bigger and further into the future. Today, with Dr. Phillips Charities support, the Dr. P. Phillips YMCA Family Center is poised to become the most progressive Y Healthy Living center in the country with holistic approaches to preventative health and wellness. We will be adding even more wellness personalization for members with diet and nutrition support, more physical rehabilitation and clinical support in partnership with area hospitals and healthcare providers. Because of Dr. Phillips Charities' capital investments in our dynamic Family Centers at the Downtown Orlando and Roper Ys, we are helping members of all ages and abilities avert obesity and stay strong in body, mind and spirit. Their historic commitment to the Aquatic & Family Center enables us to host thousands of teens year round as one of the leading swim, diving and water polo training and competition centers in the U.S.

Our Youth Development initiatives have touched countless kids' lives because of Dr. Phillips Charities. In 1999 they took action with the Y to launch SafeStart, our infant water survival skills program which has now made more than 12,000 infants and toddlers safer around water. As a consequence of Dr. Phillips Charities' generous capital contributions, youth in the region's most economically challenged neighborhoods have safe places to go during non-school hours for youth sports, camps, swimming and other activities that help them gain confidence and self-esteem while interacting with positive role models.

The Dr. Phillips Charities partnership has been vital to fulfilling our commitment to Social Responsibility and providing opportunities to those less fortunate. With their help, we serve neighborhoods where working parents have a hard time putting food on the table and affording healthy, supervised activities for kids after school and over the summer. Thanks to Dr. Phillips Charities, we have been able to raise the bar at our Osceola Y with significant renovations to better serve the men, women and children of Osceola County. With critically important facility improvements made possible with contributions from Dr. Phillips Charities, our South Orlando and Wayne Densch Ys are centers of pride and activity where neighbors come together and get connected.

THANK YOU DR. PHILLIPS CHARITIES FOR CHOOSING THE Y AS A CHARITABLE PARTNER TO MAKE MEANINGFUL, ENDURING IMPACT IN OUR COMMUNITY.

WINTER PARK HEALTH FOUNDATION

As the community's greatest advocate for Healthy Living through research and collaboration, the **Winter Park Health Foundation** has made possible two of our leading Family Centers: the **Peggy & Philip B. Crosby Wellness Center** in Winter Park and **Center for Health & Wellness in Oviedo**. Beginning in 1999, the Foundation set the stage for the Y's hospital partnerships to provide rehabilitation and medically-based wellness support for members. With complimentary missions, in 2012 the Foundation has convened the "Crosby Collaborative" with the Foundation, the Y and **Florida Hospital** to create a **Health & Wellness Neighborhood** as a model for preventative and wellness continuum of care throughout the Central Florida region and beyond. And, each year, the Foundation steps up with significant support for our Scholarship Campaign. Thank you Winter Park Health Foundation for taking action with us.

WAYNE DENSCH CHARITIES

Wayne Densch Charities' purpose is to provide opportunities for people to acquire the knowledge, skills, desirable qualities of behavior and character, wisdom and general competence that will enable them to fully participate in and enjoy the social, political, economic and intellectual life of the community. The Y is privileged to share in the generosity of Wayne Densch Charities and the **Leonard Williams family** to fulfill their philanthropic goals. The Wayne Densch, J. Douglas Williams, and South Orlando Ys are thriving and engender community engagement and pride within these communities because of their thoughtful contributions. Their impact is felt each day with healthy, sustainable operations made possible by our long-standing partnership that doesn't wait to resolve community disparities.

FRANK DELUCA

The **Marion County YMCA Family Center** has been **renamed The Frank DeLuca YMCA** in honor of Ocala philanthropist Frank DeLuca. His signature gift to the Marion capital campaign is putting the Y on track to serve nearly 35,000 adults and children a year and is essential to ensure the Y sustains the high level quality of programs offered within the community. Originally an active Y youth in Orlando, Frank DeLuca thankfully sees that the Y builds character in our children, remains focused on addressing the changing needs of Marion County's families and improving the overall wellness of the community. We welcome Frank DeLuca as our a vital partner in Youth Development, Healthy Living and Social Responsibility.

MUNROE REGIONAL MEDICAL CENTER

Munroe Regional Medical Center is our newest healthcare partner in an innovative healthcare collaboration focused on continually improving and managing the health of the **Marion County community**. With the **Frank DeLuca YMCA Family Center**, the hospital intends to tackle the burden of chronic diseases, such as heart disease, stroke, cancer, diabetes and obesity with onsite health screenings, risk assessments, health and wellness education classes, nutritional counseling, support groups, diabetes and other chronic disease management programs, therapies and even on-site medical services, specializing in preventative and wellness care.

THE ROPER FAMILY

The Roper Family has been involved at every level of our organization including **Barbara Roper's** service as the first female board chair of the YMCA of the USA. Through their generosity and support of the Family Center that bears their name, the Burt and Barbara Roper Family have been the catalyst in transforming the **Roper YMCA Family Center** into a healthy and vibrant environment with a swimming pool and aquatics program that has contributed to the safety of our children in **West Orange County** since 1978. The Roper family's legacy of dedication to the Y is a perfect example of the crucial role our partners play in our mission.

FLORIDA HOSPITAL

Few organizations are as committed to Healthy Living as we are in developing the preventative health services that will change how healthcare is delivered than our partner Florida Hospital. Our partnership is changing lives in our Ys with rehabilitation centers at our **Crosby and Dr. Phillips YMCA Family Centers**, in taking the **Y Diabetes Prevention Program** to their employees, and in the development of a **Health and Wellness Neighborhood concept** at the Winter Park campus with the **Winter Park Health Foundation**.

DARDEN

In 1993 with the largest capital gift ever made to the YMCA of Central Florida, Darden changed the trajectory of the Y and continues to set the pace for committed partnerships. The global company's record capital gift was the spark to set a new standard for Y facilities throughout Central Florida. And that was not enough. Darden has continued to provide substantial **scholarship support** to **Teen Achievers**, **capital support** to South Orlando and Wayne Densch Ys and to the sustained growth of our **Youth Development programs** association-wide.

ORANGE COUNTY

Since 1997, Orange County Government has committed to a Y partnership that has since **impacted the lives of hundreds of thousands of its residents** throughout the county. For family and youth services, the county helped open the **Blanchard Park YMCA**, co-launched the **Afterschool Zone** middle school programs in 14 OCPS schools, partnered in making the **Tangelo Park** and **South Orlando Ys** exciting community assets for youth and families, and provided resources to the **Aquatic and Family Center** to become one of the finest training and competition aquatic centers in the country. Additionally, with a focus on its senior residents and kids who need extra academic support to get ahead, Orange County partners with us to **provide wellness support in 22 senior centers** and **extracurricular reading support** to students in the Apopka/Zellwood communities.

OSCEOLA COUNTY

As home to an international employee base who serve more than seven million tourists annually, Osceola County has looked to the Y as a trusted partner in **Social Responsibility** to ensure its residents have a safe place to come together for healthy youth and family support. Together, **Osceola County Government** and the Y have committed the resources over the past 20 years to make the Osceola Y a source of pride and life-enriching programs for **Youth Development** sports, swim safety, and academic support programs, plus **Healthy Living programs** such as diabetes prevention and group exercises for a community that speak 62 different languages.

WALT DISNEY WORLD

One of the most recognized companies in the world, Walt Disney World recognizes the power of early childhood development and how employee families need **quality childcare** to be their best at work. As a result, they partnered with us in 2004 to open two **Y early childhood development centers** on property to provide Y-quality early childhood development care seven days a week from 6:00 a.m. to 10:00 p.m. Serving about 1000 families a day since, the Y continues to deliver an educational model that incorporates all the tenants of exceptional Youth Development.

LAKE NONA/TAVISTOCK

Together, with our other partners in **OCPS, City of Orlando** and **Orlando Health**, Lake Nona made possible an educational model others worldwide are seeking to duplicate – the **Lake Nona YMCA/Northlake Community School**. The shared use facility is a vibrant anchor for its community, open 7 days a week, 362 days a year, bringing students, parents and teachers together with higher academic performance, parental involvement and healthy living. We are proud of our partnership in Tavistock whose commitment was recognized by the **Urban Land Institute** with the national Award of Excellence for “maximizing resources – environmental, community, fiscal and facility.”

LOCKHEED MARTIN

While Lockheed Martin does business services worldwide, its commitment to community service is purely local with the Y as a thankful partner. Initially partnering with the company to provide corporate wellness support to employees, Lockheed has since focused its support on impacting the lives of area youth. In 2008 Lockheed Martin and the Central Florida YMCA partnered to **open the nation’s first community-based high-tech learning center at our Tangelo Park YMCA** to engage students in math and science, creating a foundation for success in the classroom and in future careers. Since then, they have provided resources to open a **second Technology Center at the South Orlando Y**, to support the **Teen Achievers** engineering cluster, and contribute annually to our scholarship campaigns.

THE BERT MARTIN FOUNDATION

One of our legacy philanthropic partners, The Bert Martin Foundation, made possible in 2012 the **expansion of our revolutionary Links2Learning program** to the **South Orlando Y**. Engaging 3rd-12th grade school kids in a combination learning and golf program, The Bert Martin Foundation support provides kids with homework help and teaches them life skills one swing at a time. Thanks to this support, urban youth will have access to a life sport they would otherwise would not have access to.

MICROSOFT

Microsoft’s well-known philanthropic commitment has landed at the YMCA of Central Florida in 2012 with a **partnership committed to providing computer access and mentoring to Y kids who need it most**. Local Microsoft professionals give their personal time and corporate resources to make sure youth at our **South Orlando Y** have the support they need in our **Technology Center** and **Links2Learning program**. Their commitment to the Y community has extended to donating computers to our afterschool programs where kids may otherwise not have computer access at home to get homework done. We are grateful for the commitment of this caring global company.

PEPSI

While Pepsi has a worldwide business focus, the company has been there for us on a local level as a gracious corporate partner for 20 years. From seeding our **Hispanic Achievers program**, to making sizable capital contributions in outreach communities, to improving our sports facility signage and providing invaluable leadership to our board, Pepsi is there for the YMCA of Central Florida year after year. Ahead, Pepsi will be supporting the **Y Healthy Living initiative** by helping us provide members with healthier beverage choices at our Ys.

BANK OF AMERICA

As one of the country’s leading financial institutions addressing the needs of their local communities, Bank of America’s long-standing partnership with us has been integral to positive change across our organization. Committed to removing barriers to post-secondary access for underserved students by supporting them with mentoring career leadership development, the Bank of America funded our **pilot Middle School Afterschool program in Osceola County**. Additionally, they have always responded to our needs with capital contributions for the **South Orlando** and other facilities and for on-call educational needs. We are proud to be able to bank on their support.

Don Napier, member of the PEGGY & PHILIP B. CROSBY YMCA WELLNESS CENTER, became a member last year at 101. He is being helped by Brittany Dixon, a medical fitness director at Crosby working for both the Y and FLORIDA HOSPITAL to provide rehabilitation and medically based support to members.

THE Y IS TAKING ACTION TO CHANGE LIVES WORLDWIDE

Since 1885, the Central Florida Y has been strengthening communities and changing lives across Central Florida. Today, while we remain focused on serving the men, women and children of this area, the full impact of our work can be felt around the world.

THE Y IS TAKING ACTION

OUR GLOBAL IMPACT

PART OF A GLOBAL NETWORK

Our offices may be in Central Florida, but we belong to an **international network of Ys – 119 nations strong** – working to unite and strengthen communities around the world.

RECOGNIZED AS A GLOBAL CENTER OF EXCELLENCE

The Central Florida Y was recently named a **Global Center of Excellence** in recognition of our success in spearheading inclusion, diversity and cultural understanding in one of the most culturally diverse regions in the nation.

CREATING CULTURAL UNDERSTANDING ACROSS OUR COMMUNITY

At our **Osceola Y Family Center** alone, more than **60 different languages are spoken**. Our staff is trained at creating a welcoming environment for everyone. And it's not just our team members that we're teaching. Through all of our Youth Development programs, we help young people develop the values, civility and respect they need to accept one another and thrive in a culturally diverse world.

JOINING FORCES WITH INTERNATIONAL ORGANIZATIONS

Collaboration has always been one of the keys to our success here in Central Florida, and through strategic partnerships with **Disney, Lockheed Martin, Darden, Microsoft** and other globally focused organizations, the Y continuously shares ideas, insight and inspiration with the other leading organizations shaping our world.

REMARKABLE MODEL. MEASURABLE RESULTS.

LAKE NONA YMCA/NORTHLAKE PARK COMMUNITY SCHOOL

Since its founding more than 10 years ago, the co-located Northlake Park Community School/Lake Nona YMCA has set a national standard for how parents, schools and communities work together to support children and education.

Based on its innovative design, it has also earned the Urban Land Institute's distinguished national Award for Excellence in the areas of planning, public-private partnerships, community enrichment and addressing social needs.

The only one of its kind in the nation, the facility combines an "A-rated" school, YMCA and city park all in one 25-acre setting. It was built in 2009 through an innovative partnership between the YMCA, Orange County Public Schools, the City of Orlando and other major partners.

While the concept may be unique, the school's socio-economic challenges are not. Fully 35% of students come from low-income backgrounds, but thanks to great community collaboration Northlake ranks in the 90th percentile for reading scores.

Hailing its success as 'remarkable,' U.S. Secretary of Education Arne Duncan said Northlake stands as a national model for other communities to emulate. "A big piece of its success is adult collaboration," Duncan said. "I know how hard that is to build. That spirit is as important, if not more important, than ideas."

YMCA'S GLOBAL TEEN LEADERSHIP CONFERENCE FOSTERING A GLOBAL PERSPECTIVE IN THE NEXT GENERATION

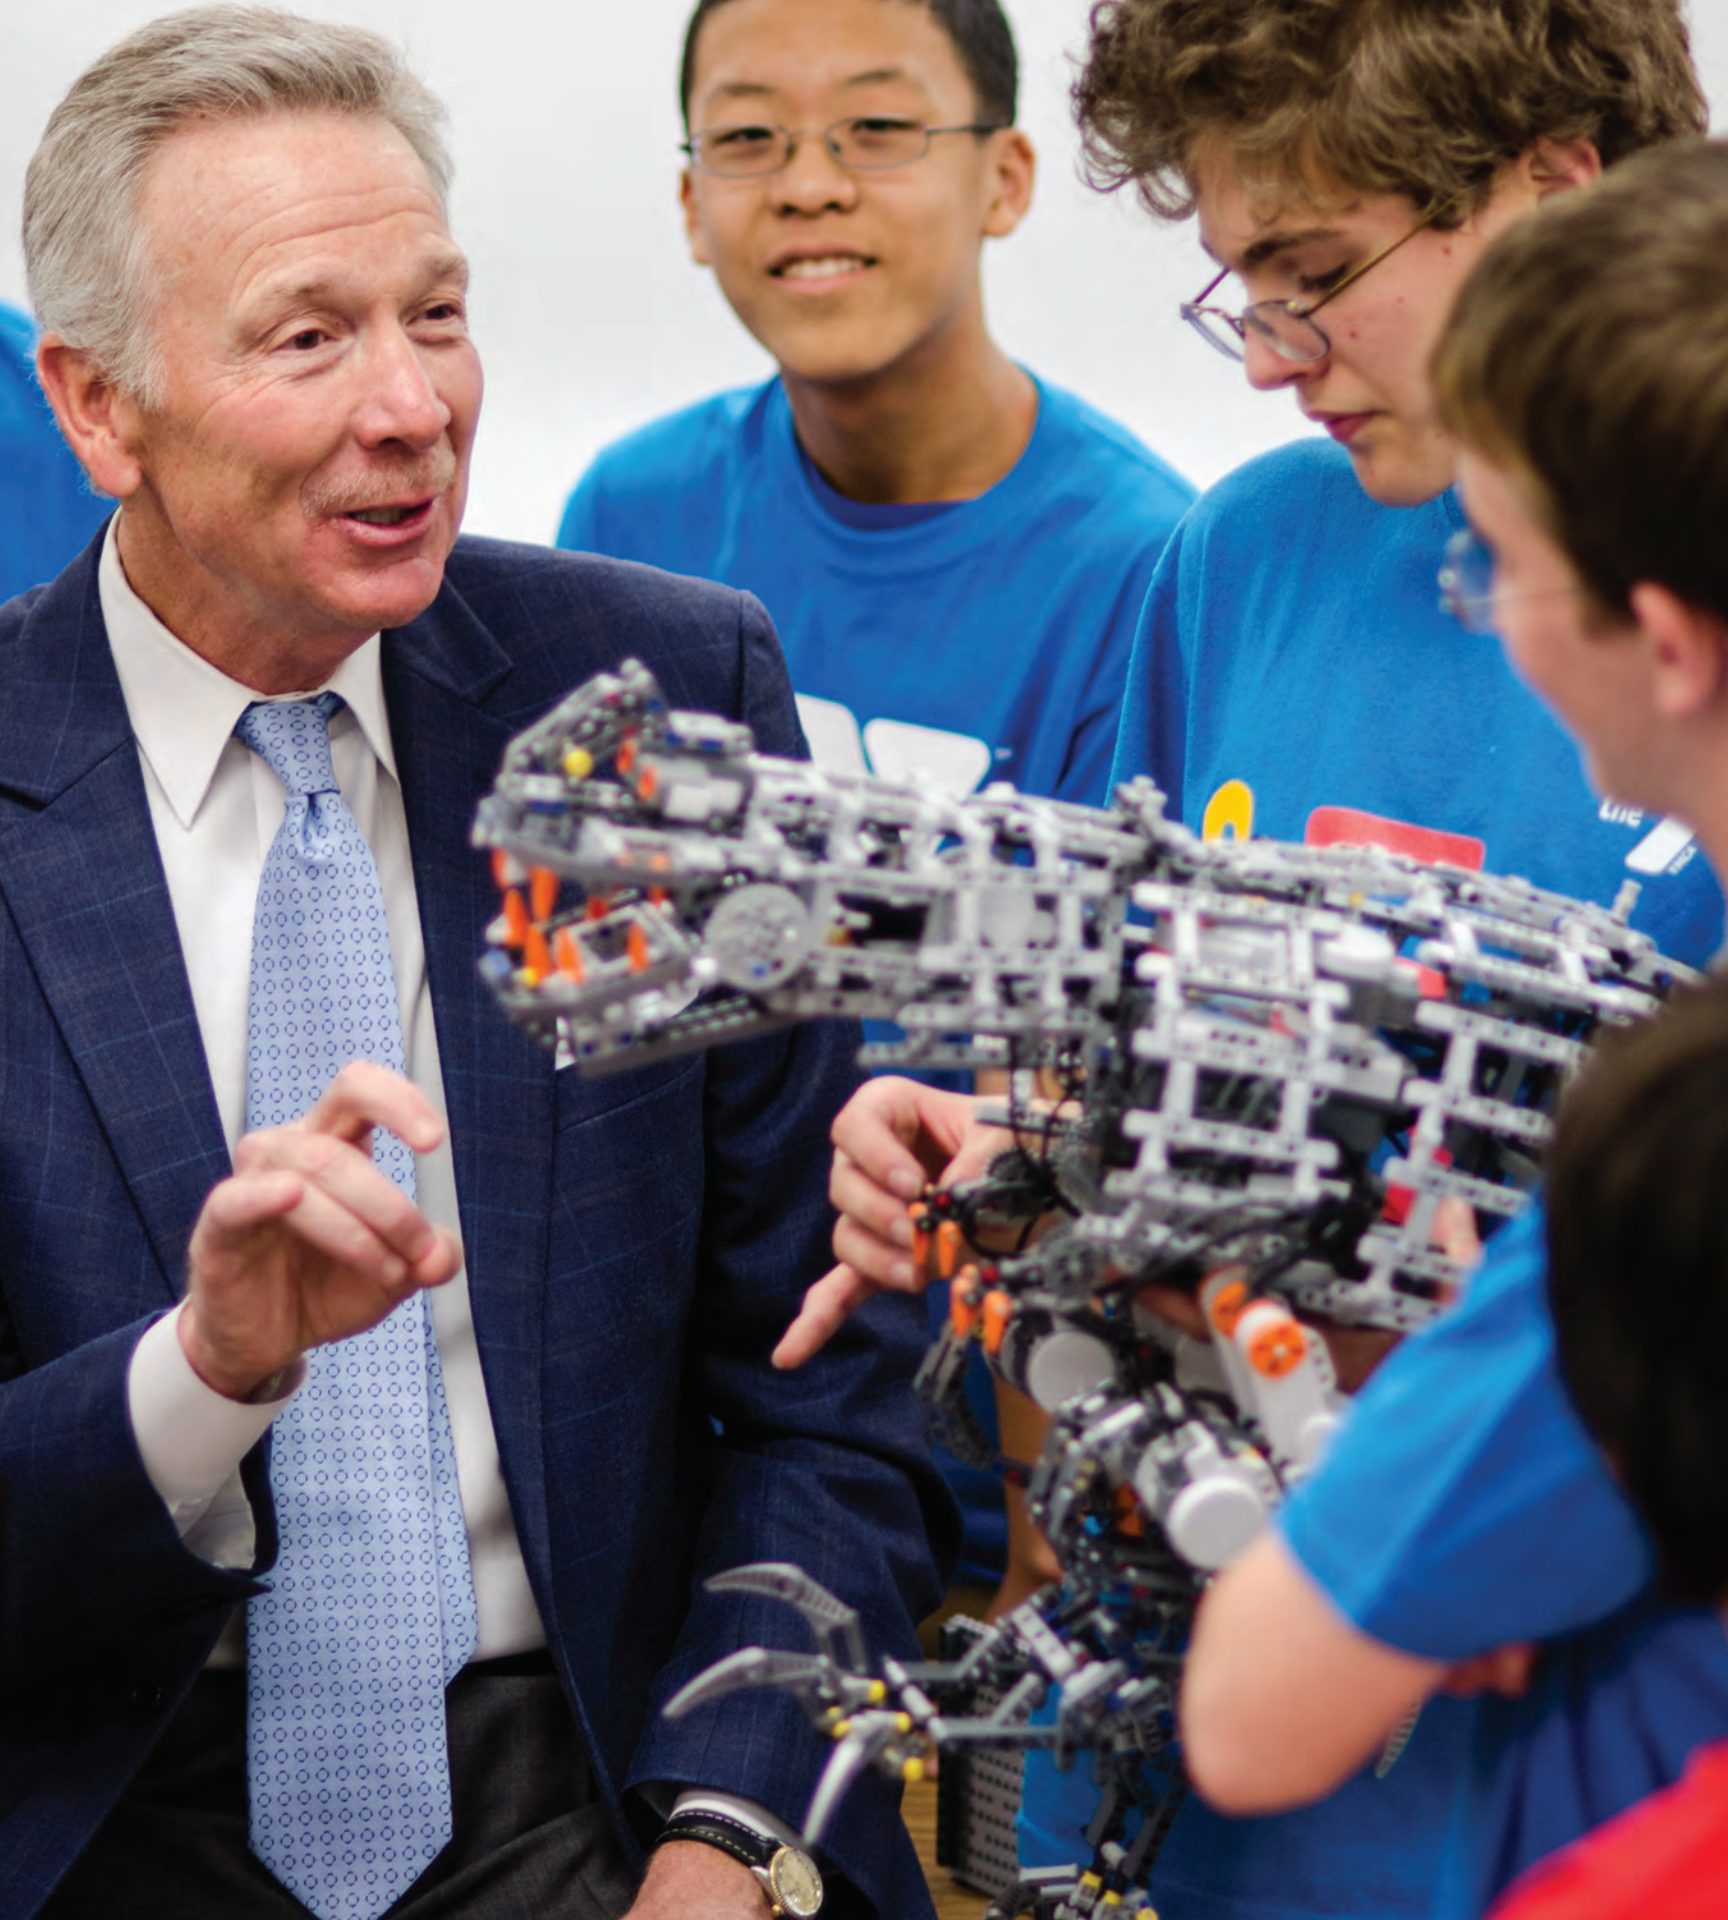

This August the Y will send a group of promising young people to the YMCA's Global Teen Leadership Conference in Prague, where they will join 10,000 peers from around the world to explore new ways they can better serve their local, national and global communities. And when the World Council of YMCAs holds its international conference next year in Estes Park, CO, our local Y teen leaders will serve as ambassadors for this international gathering of Y leaders and policy makers.

THE NEXT TIME YOU'RE AT THE Y, LISTEN CLOSELY.

Instead of the endless talk about the challenges facing children today, you'll hear children laughing, playing and learning how to be more successful today and from this day forward. Instead of facts and statistics lamenting the state of public health, you'll hear men and women swimming, weightlifting, and working with their health counselors to become stronger and healthier in every way. Instead of the critics, pundits and experts pointing out the problems in our society, you will hear a community coming together to solve them. Because when you're working to change lives for the better, taking action is what it takes.

AND NOW MORE THAN EVER, WHEN IT COMES TO TAKING ACTION IN CENTRAL FLORIDA, THE Y IS TAKING THE LEAD.

DEAR MEMBERS:

As we look back on all that's taken place this past year at the Central Florida Y, one word springs to mind:

ACTION

In all of the communities we serve, and in response to all the different challenges facing Central Florida, our organization is spearheading innovation, driving change, and taking the reins to improve our community in so many tangible ways.

In Youth Development, we are taking action by empowering kids everywhere with the confidence, values and inspiration they need to thrive today, tomorrow and beyond.

In Healthy Living, we are taking action by being the first organization to really tackle health prevention by creating Y centers for lifelong health, wellness and disease prevention.

In Social Responsibility, we are taking action by continuously bringing critical resources to those who need it most within underserved communities. And, we are joining forces with leading global organizations to develop model programs that others seek to replicate.

While the Y is touching more lives than ever, in more places than ever, what matters most to us is the mission that's been driving us all along: strengthening communities and changing lives right here in Central Florida.

We are so proud and grateful for all the work that you – the Y staff, members, volunteers, partners and supporters – made possible to support our mission this year. Together, by taking action today and every day, we are creating a better Central Florida and a better world for future generations.

2002
Dr. P. Phillips Foundation

Every day at the Y, we work to make our communities stronger. That work simply wouldn't be possible without a strong financial foundation. Our cause and our financial commitments go hand in hand. That's why we closely track all our efforts, carefully measuring the impact and keeping a keen eye on the bottom line. The following information demonstrates our financial stability and growth in 2012. You will see that we have managed to keep our business strong. And this makes our commitment to our cause even stronger.

PUBLIC SUPPORT & REVENUE	2011	2012
Contributions	\$8,558,000	\$9,152,000
Grant & Contract Revenue	\$3,672,000	\$3,010,000
Total Public Support	\$12,230,000	\$12,162,000
Program Fees	\$18,479,000	\$18,856,000
Membership Fees	\$30,324,000	\$31,376,000
Other Revenue	\$1,024,000	\$1,583,000
Total Public Support & Revenue	\$62,057,000	\$63,977,000
EXPENSES		
Membership & Program Services	\$53,723,000	\$55,102,000
Management & General Expenses	\$5,522,000	\$5,412,000
Fundraising	\$777,000	\$1,001,000
Total Expenses	\$60,022,000	\$61,515,000
TOTAL PUBLIC SUPPORT & REVENUE (net of expenses)	\$2,034,000	\$2,462,000

Since 1994, the Central Florida YMCA has invested over \$109 million in capital development projects covering over 782,000 square feet, so that we can address the needs of the community through programs and services.

We wish to recognize our donors who have cumulatively contributed \$25,000 or more to strengthen our communities in Central Florida through youth development, healthy living and social responsibility.

With a commitment to helping members improve their diet and nutrition habits as well as their fitness health, many of our Ys host weekly FRESH FOOD FARMERS MARKETS to make healthy eating more convenient for members.

In 2012, our 11 outreach Ys gave out \$4.2 million worth of community services

THE Y IS TAKING ACTION TO STRENGTHEN THE FOUNDATION OF THE COMMUNITY

WE ADVOCATE FOR

YOUTH DEVELOPMENT

- Teaching youth values and civility
- Combatting childhood obesity
- Providing quality early childhood education
- Helping all children read at or above grade level
- Making affordable afterschool and summer care accessible

HEALTHY LIVING

- Preventing diabetes and chronic disease
- Helping aging adults stay independent and mobile
- Giving people of all abilities access to wellness
- Creating a sense of belonging for neighbors

SOCIAL RESPONSIBILITY

- Giving back and providing support to our neighbors
- Collaborating to bridge gaps in community need
- Developing stronger, more inclusive communities
- Ensuring all people have access to learn, grow and thrive

OUR MISSION

The purpose of this Association is to **improve lives** of all in Central Florida by connecting individuals, families and communities with opportunities based on Christian values that strengthen Spirit, Mind and Body.

OUR CAUSE

Strengthening communities through youth development, healthy living and social responsibility.

THE Y IS TAKING ACTION
