Y + U = 115,000 KIDS EMPOWERED TO REACH THEIR POTENTIAL

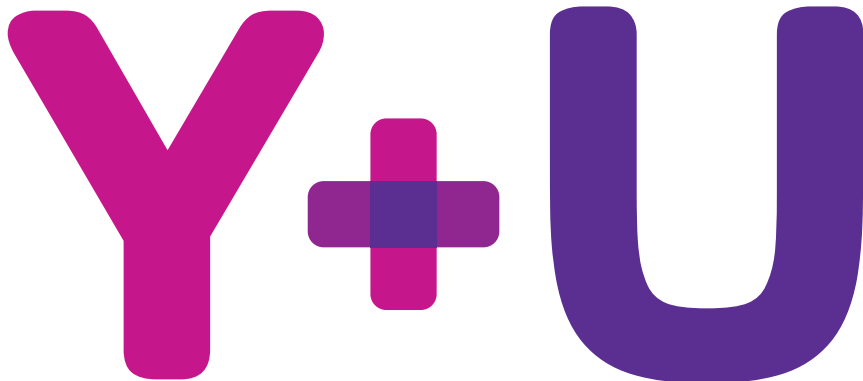

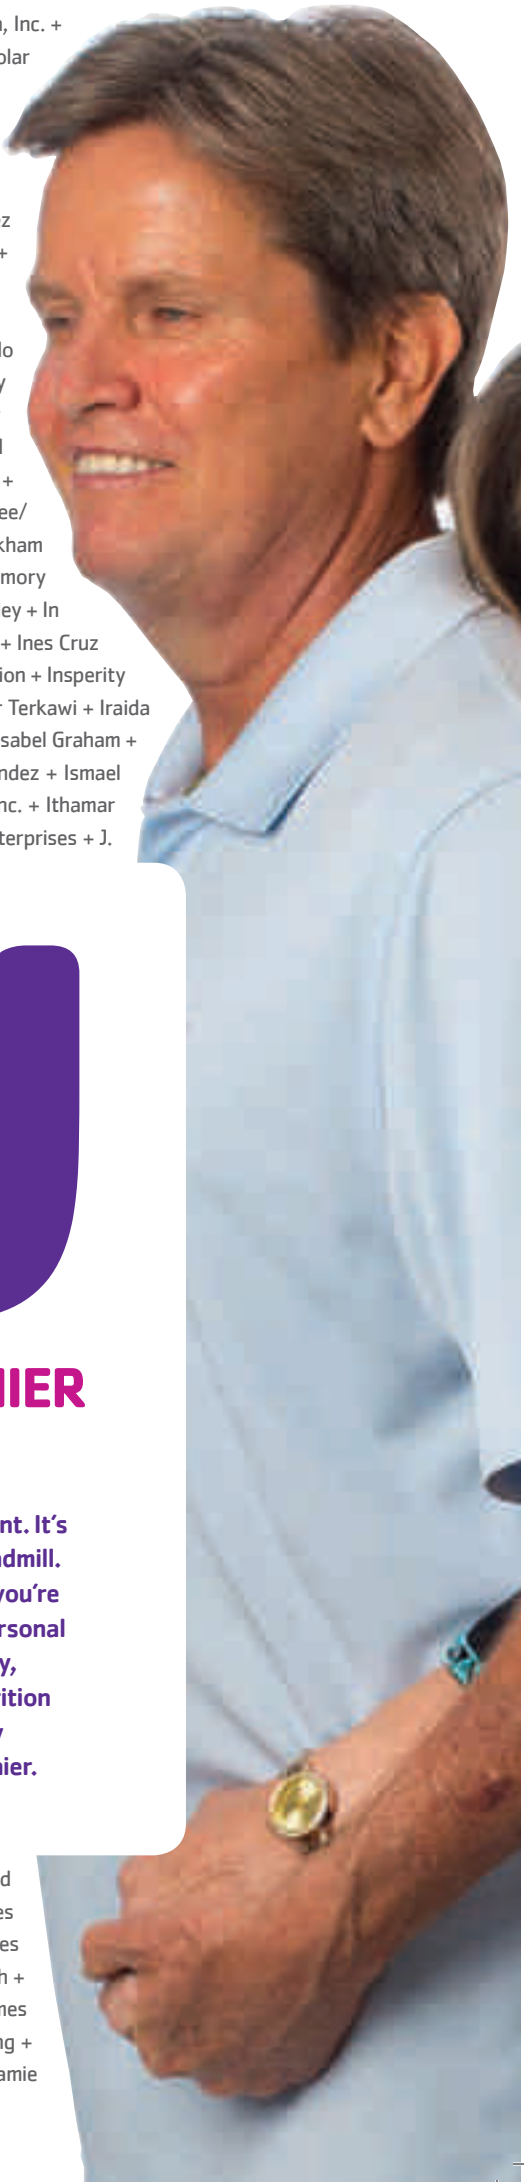

Childhood. It passes in a flash, yet it is filled with moments that shape the future forever. For tens of thousands of kids across Central Florida, those moments happen at the Y. They happen in our 27 Family Centers, where kids find a place that they can belong to, filled with people they can count on. They happen on our sports fields, where friendships born for a season last for a lifetime. They happen during the hours spent at our fifty-plus After School and summer camp programs, where students learn that learning itself can be one of life's greatest adventures. Every day, in so many different ways, you and the Y help kids discover how much they are loved, and how much they are capable of.

35,000 PEOPLE ON THE PATH TO A BRIGHTER FUTURE

Funny thing about strength. It's not always visible to the naked eye. Sometimes, those who start out struggling the hardest wind up soaring far, far above everyone else in the end. At least, that's what the Y has learned over the years. We've always made it a point to keep our doors open to everyone. Even those that everyone else counts out. The parent that lost a job, then a home. The family that struggles to make everyday ends meet. The senior citizen with a fixed income and no family of their own. The community plagued with high crime and low high school graduation rates. With just a little hope and a little help, they come roaring back, stronger than ever. Every day, in so many ways, the Y helps people reclaim the destinies they deserve.

= 64,000 FAMILIES GROWING STRONGER EVERY DAY

Have you ever wondered why our Ys are called "Family Centers"? Not "community centers." Not "health clubs." Family Centers. Because while we strive to build a stronger community, we know that building stronger families is the first step. At the Y, you'll find parents learning how to live healthier today so they can take better care of their kids tomorrow. You'll see kids laughing, playing, and loving the comfort and safety of their home away from home. And chances are, you'll come across a few families who are recovering from a major challenge that life threw their way. Every day, in so many different ways, the Y helps keep today's families going strong, and growing even stronger.

20,000 NEIGHBORS TAKING CARE OF ONE ANOTHER'S NEEDS

Just like any other living thing, a strong community needs a strong heart. Taking a genuine interest in one another's well-being. Making a real investment in the people around you. Here in Central Florida, our communities are filled with people who put the needs of their neighbors high on the priority list. People who have pledged to help the Y strengthen our community for a year, for a decade, for a lifetime, or even more. Their commitment sets a powerful example, reminding us that when people pull together for the sake of one another, anything is possible.

COMMITTED TO THE Y MOVEMENT AND MISSION FOR 31 YEARS, OUR NEW CEO DAN WILCOX SEES THE Y'S UNLIMITED ABILITY TO HELP OTHERS.

= 1 COMMUNITY WITH INFINITE POSSIBILITIES

We set out to share the names of all the people who shared their valuable time, talents and resources with the Y just this year. And now, twelve pages and more than twenty thousand names later, we have finally arrived at where our story begins. Because today, thanks to the people on these very pages, our community is embarking on a new journey. And taking a new path. One that leads to bigger opportunities and a brighter future for all of us.

DEAR FAMILY AND FRIENDS: From its earliest days, the Y of Central Florida has always been guided by great, insightful leaders. People who love our community, envision what it can be, and know that the Y is a catalyst for getting it there.

In this year of change, we are proud to say that this tradition is alive and well. Thanks to a strong board, energized staff and bold new strategic plan, our organization is moving ahead as one team – one Y family – to make Central Florida the healthiest, most vibrant community in the nation.

In 2014 we bid fond farewell to retiring Y President and CEO Jim Ferber. While change is never easy, we continue to be bolstered by Jim's remarkable legacy and example. We are also deeply grateful to the YMCA Metro Board for the trust, continuity and stability they provided during the transition.

Undoubtedly, we drew our greatest inspiration from the nearly 200 community volunteers, led by former Metro Board Chair Helena Ryan, who generously helped develop the Y's new 2014-2018 strategic plan.

As a roadmap for moving our community forward, the plan contains clear-cut goals for increasing the Y's impact in the areas of Youth Development, Healthy Living and

Social Responsibility. By improving the lives of 600,000 residents by 2018, the Y will achieve a tipping point – and continue to be the catalyst – for real and lasting change.

Ambitious? Yes. Impossible? No.

Already, our new strategic direction is being recognized. 2014 was the Y's most successful year ever for philanthropy. From our single largest gift in history, \$4.2 million from Dr. Phillips Charities, to new and innovative health care partnerships, others are turning to the Y because they trust us to make a difference.

We're the Y + U. 20,000 people on a mission to Empower Our Community for Good.

Thank you for your passion, generosity and commitment.

Dan Wilcox
YMCA PRESIDENT & CEO

Charlie Egerton
CHAIR, YMCA METROPOLITAN BOARD OF DIRECTORS

2014 YEAR IN REVIEW

2014 was a year of pivotal progress for the Y of Central Florida, but our biggest achievement was the adoption of our new **2014-2018 STRATEGIC PLAN: To Empower Our Community for Good**. Guided by the Strategic Plan Chair Helena Ryan and nearly 200 community advocates, the plan outlines ambitious goals to extend the Y Mission and impact to 600,000 people by 2018. How will we do it? By building upon the significant impact we're already making in the areas of **Youth Development, Healthy Living** and **Social Responsibility**.

YOUTH DEVELOPMENT

Nurturing the potential of every child and teen through programs focused on reading, values, wellness and strengthening families.

The YMCA, **Orange County Government** and **Orange County Public Schools** celebrated 15 incredible years of keeping middle school students safe, active and learning through the **YMCA After School Zone**. In 2014, 7,614 youth enjoyed hands-on reading, science and math activities, along with career mentoring, music and arts.

Modeled after this success, the **YMCA Elementary School Program** served 36,075 students in 2014, providing educationally-focused reading and literacy activities, homework help, character development, and daily fitness and nutritional lessons.

We also kept kids reading and learning all summer long. A record-high 24,315 summer campers enjoyed more than 8 million minutes of reading time. And, through the Y's specialized **Summer Learning Programs** at McCoy Elementary and 10 middle schools, we helped 1,300 students gain, on average, one full year of reading skills in just five weeks.

A three-year \$435,000 grant from **Heart of Florida United Way** paved the way for the **YMCA Child Development Centers at Walt Disney World** to add a school nurse and wellness specialist to its team of experts. 2014 also marked the 10th anniversary of the YMCA-Disney partnership.

YMCA Teen Achievers received a **\$405,000 grant** from **Heart of Florida United Way** to expand its academic and career mentoring success to even more at-risk high schoolers.

More than 21,600 kids learned values, sportsmanship and confidence through **Y youth sports**. Hundreds more developed character and leadership skills through involvement with **YMCA Teen Boards**, **Christian Youth Conferences**, **Youth in Government** activities and community service projects.

HEALTHY LIVING

Strengthening lives and communities by improving health, wellness and chronic disease prevention.

As the Y continues to move people from "sick care" to health care, **The United Healthcare Foundation** invested **\$1.7 million** to pilot the **YMCA Healthier Life RX program**. With a focus on chronic disease prevention, the three-year pilot will connect people with a continuum of personalized health and wellness support to help them embrace healthier lifestyles.

Sodexo, one of the world's largest employers, **invested \$1 million** to partner with the Y in finding new, more effective ways to help people improve their health through **workplace wellness programs**. Employees from Rollins College, Walt Disney World, Orlando Health and the YMCA will participate in the three-year pilot.

Florida Hospital for **Children's Healthy Weight and Wellness Program** re-located its entire pediatric practice to three Y locations: the YMCA Aquatic Center, Blanchard Park and Crosby YMCAs. Led by **Dr. Angela Fals**, the program has served more than 2,000 children and families.

Orlando Health expanded its 13-year relationship with the Y through a new **\$1 million investment** to become the exclusive provider of health and wellness programs at Dr. P. Phillips, Wayne Densch, Lake Nona, South Lake and Roper Ys.

The Roper YMCA in Winter Garden received a \$500,000, first-of-its-kind grant from the **West Orange Healthcare District** to develop innovative health and wellness programs in conjunction with Health Central Hospital.

90% of Y Teen Achievers graduate to attend college, gain technical certifications or join the military.

Kids who attend Afterschool Zone at the Y have higher rates of school attendance and lower rates of juvenile crime.

To make Y programs and schedules accessible anytime and anywhere, the Y went mobile with a new interactive website that provides easier access to Y fitness programs, schedules and registration information. Also introduced as pilots in 2014 were Technogym and My Wellness Cloud, which help people set, tailor, track and celebrate healthier habits with support of a Y wellness coach.

Y + U = \$13,308,000 DONATED TO THE Y CAUSE IN 2014

In support of the Y's Christian mission, 4,000 people of every faith and background joined together during YMCA prayer breakfasts across six counties. More than 1,000 people attended the 2014 Arthur "Pappy" Kennedy/Martin Luther King Prayer Breakfast, with 1,000 more attending Celebration of Prayer during Easter Week and over 2000 more in local Brevard, Seminole, Lake and Marion county events.

The Y's signature Safe Start infant water survival program celebrated its 15th anniversary. It also reached a new milestone of keeping more than 14,500 infants and toddlers safe from drowning since 1999. The program is funded through Dr. Phillips Charities.

SOCIAL RESPONSIBILITY

Providing support and uniting people of all ages, faiths and backgrounds through the Y's mission.

Thanks to a deepening trust in the Y mission, major gifts from Dr. Phillips Charities, United Health Foundation, Orlando Health and Sodexo, plus a hugely successful annual campaign made **2014 our best year ever for philanthropy.**

A **\$4.2 million gift from Dr. Phillips Charities** represented our single largest donation ever. It also brought Dr. Phillips Charities' 20-year investment in the Y to \$38,447,923.

In 2014, we broke ground on **major expansions** of the **Dr. P. Phillips and Frank DeLuca YMCAs**. Renovations also began at the **Roper YMCA**. These capital expansions will allow us to provide even more community-strengthening health and wellness programs.

With Orlando attorney **Charlie Egerton** as chair, the **2014 Annual Support Campaign** reached a **new all-time high: \$3.3 million was raised** through 2,664 volunteers and 8,978 donors. The campaign provided Y program and membership assistance to tens of thousands of people in need.

\$10.53 million was invested in Social Responsibility initiatives that support and empower people and communities with financial assistance for Y programs.

In keeping the "C" alive and well, 150 volunteers served on **YMCA Mission Committees**, including the Metro Board Mission Committee which is creating new partnerships with local churches, nonprofits and faith groups.

The Y, for the 18th year in a row, supported **Operation Christmas Child**, sending more than 16,000 gift-filled shoe boxes, donated by Y staff and members, to children in need around the world.

\$2.1 million was invested to sustain the operation of **11 outreach Ys** in fragile communities where Y programs and services are needed most. 81% of Y outreach members received some sort of scholarship or program assistance.

During the Y's first-ever **Day of Giving** event hosted by 27 family centers, **\$288,412 was raised** in a single day.

+ HONORS

Leonard Williams Sr.

JOHN STERCHI AWARD

Named for John Sterchi, the driving force behind the Downtown Y, this award honors those who provide an outstanding lifetime of support to the YMCA of Central Florida.

As a boy, **Leonard Williams Sr.** personally saw how the Y can shape a child's life. Decades later, as President of Wayne Densch Inc. and Wayne Densch Charities, he and his wife, Marjorie helped establish the Wayne Densch YMCA in Pine Hills. And following the tragic loss of their son, they made another major gift to establish the J. Douglas Williams YMCA in his memory. Combined, these two Y facilities strengthen their surrounding communities serving more than 10,000 residents per year.

Paul McGarigal

RONNIE WALKER UNSUNG HERO AWARD

Named for the longtime Downtown Y member, a true servant leader who always went above and beyond to help others through the Y cause.

As the oldest of 10 children, **Paul McGarigal's** earliest lesson in generosity occurred when a local "unsung hero" paid his Little League fees when his family could not. Today, as a successful realtor, Paul has stepped into the hero role at the Dr. P. Phillips Y. He has coached youth sports, chaired the board, furnished its teen center and underwrote the cost of new soccer fields. In 2014, Paul made an even bigger investment—a \$500,000 endowment to establish the new McGarigal Child Development Center. There, the next generation of the Y family will begin their journey and from Paul's shining example.

Glen Davis

DR. P. PHILLIPS CHAMPION OF YOUTH AWARD

Presented to individuals or organizations that demonstrate an unyielding commitment to improving the lives of children in Central Florida.

Glen Davis' passion for the Y comes from growing up in a fragile Central Florida neighborhood where kids have always needed extra mentoring, after-school safety and the knowledge that someone cares. In 2013, Glen's heartfelt concern for youth and families led him to chair the Y's annual support campaign, which raised a record-breaking \$2.3 million for those in need. As 2013 YMCA Metro Board Chair, he inspired thousands of others to "Change Lives and Inspire Futures" through the Y's cause and mission. As a true champion of youth, Glen also launched the YMCA Links 2 Learning Golf Tournament, which now raises \$80,000 per year to introduce inner-city kids a new sport – golf – along with the values, civility and sportsmanship that go along with it.

Helena Ryan

BARBARA ROPER ADVOCACY AWARD

Named for the trailblazing Y advocate and philanthropist who committed decades of time, talent and treasure to our cause, this award honors those whose leadership keeps our organization moving forward.

Helena Ryan first came to the Y as a young mother and new Winter Park resident. There, she found ways to connect with her new community, and soon after became an advocate, fundraiser and volunteer leader. Helena served on the Metro Board for over a decade, became the 2012–2013 Annual Support Campaign Chair, the 2014 Metro Board Chair and the Chair of the 2014–2018 Long Range Strategic Planning Committee. Thanks to her focused leadership, we now have a solid blueprint for expanding the Y's mission and impact all across Central Florida.

Carter Jones

JIM FERBER AWARD

Named in honor of our former YMCA President and CEO who served 1993–2014, this award honors staff who best exemplify Jim’s unwavering leadership and commitment to the Y cause.

When **Carter Jones** first joined the Winter Park Y as a lifeguard in 1984, he had no idea that a summer job would lead to a lifetime career. More than a decade ago, Carter helped establish the Lake Nona YMCA/Northlake Community School (being renamed the Jim Ferber Family YMCA) and served as the “face of the Y” when we partnered with Orange County Government and Orange County Public Schools to launch our After School Zone and Elementary School programs. Today, as District Vice President, he lends his time and talent to the YMCA Teen Ambassador Board mentoring the next generation of Y leaders.

Nancy Bryant

When asked on a 2004 job application what she liked best about working at the YMCA, **Nancy Bryant’s** answer was simple ...“Everything!” And over time, her gusto and enthusiasm have only grown. Initially hired as a membership coordinator at the Downtown Y, Nancy soon began supervising youth programs at the Blanchard Park Y. Today, as Executive Director of the YMCA’s Elementary School Program, Nancy works closely with local schools, education experts and principals, and has elevated the Y’s reputation as a trusted parent partner in helping boost student achievement and reverse summer learning loss.

PINNACLE AWARD

Recognizing YMCA programs or family centers that are pinnacle performers in growth, impact, operations and/or financial success.

YMCA Elementary School Program Now in its 10th year, the YMCA Elementary School Program is recognized as a local and national model for how YMCAs and communities can work together to solve pressing after-school care needs. The program operates year-round at 38 school locations, enabling 36,075 students per year to continue to read, learn, study, and engage in healthy, positive behaviors long after school lets out. YUSA, educational think tanks, national education foundations and the media have recognized the program for its innovation and tremendous impact on the children, families, and the communities it serves.
