

“If you are going to achieve excellence in **big** things, you develop the habit in **little** matters. Excellence is not an exception, it is a prevailing attitude.”

Colin Powell | Former Secretary of State

We dream **BIG**
striving to serve
600,000 people in
Central Florida

BUT WE WORK small
building strong
relationships with
one person at a time

It's no secret that the Y is a big organization.

We employ **2,600** people, nurture **67,209** youth, engage **22,300** volunteers and serve **412,500** people across six counties – it's easy to get lost in the numbers.

But our story is really about the individuals and families we help every day, in little ways.

One child working on homework with her mentor. Two parents learning how to cook healthy meals on a budget. Three seniors getting together each morning to play cards.

Little by little, these small acts lead to big change.

3,000 people learning how to manage chronic disease through our Diabetes Prevention Program. 120,000 square feet of new space built for helping people of all ages get healthier in every way. 10,000,000 lives changed for the better in the past 30 years.

By driving change in so many areas, the Y is building the biggest dream of all.

One community that empowers all members to thrive in this lifetime, and leaves a positive legacy for those to come.

Madeline, age 4, ready to take on kindergarten, YMCA Child Development Centers.

FOR YOUTH DEVELOPMENT

MAKING A **BIG**
DIFFERENCE

ONE small CHILD AT A TIME.

640

PRECHOOLERS PER DAY

Enrollment grew at the Y's two **Early Childhood Development Centers** at the Walt Disney World Resort, where children "graduate" with the academic, cognitive and social skills to succeed in kindergarten.

AND

**TWO
SMALL DREAMERS**

Like 98% of all 4-year-olds enrolled in the **YMCA Child Development Centers** at Walt Disney World, Sebastian and Madeline are learning the reading, thinking and social skills they'll need to succeed in kindergarten – and become the next generation of Disney Dreamers and Doers.

Ian and Madeline,
best friends forever,
YMCA Child
Development Centers.

What does it take for a child to reach his or her true potential?

The love and structure of their family sets the foundation. The support of their school system puts them on the right path. The connection with their community expands their world of opportunity.

191,000 STUDENTS

The YMCA Afterschool Zone celebrated its

SWEET 16 BIRTHDAY

Funded through Orange County Government, the **YMCA Afterschool Zone** has helped more than **191,000** students maintain good GPAs, while avoiding absenteeism and juvenile crime.

9 MILLION MINUTES OF READING TIME

Summer Camp enrollment skyrocketed to **27,435 campers** who took part in a learning-based curriculum engineered to reverse summer learning loss. For students needing more support, specialized learning programs at **McCoy Elementary** and 10 area middle schools helped students gain, on average, one full year of reading in just five weeks.

100+

educators, nonprofit executives, healthcare experts and community leaders volunteered to serve on the **Y Education Committee**.

\$4 MILLION IN NEW STATE FUNDING

The Y received \$4 million in new state funding to expand our after-school, middle-school programs to 10 new locations in Brevard, Lake and Osceola counties. In all, **1,000 new students** and families benefitted.

AND

ONE POWER READER

Learning has taken flight for **Victoria Rivera**, a YMCA Power Scholar at McCoy Elementary School. After starting the program nearly a full grade below reading level, Victoria caught up with her peers in just six weeks. As part of the YMCA's partnership with BELL and Y-USA, **Power Scholars** helps at-risk kids close the achievement gap. As Victoria looks forward to third grade, her favorite book is "Judy Moody Was in a Mood". A lifelong reader is born!

The Y plays an active role throughout this process –

offering programs that
strengthen families at the
core, extend education
beyond school hours, and
help kids develop stronger
minds, bodies and spirits.

36,075

Elementary School Students received quality after-school care, as well as curriculum-based reading activities, homework help, values and fitness at 40 school sites.

16,235

SWIM LESSONS to keep kids safe, secure and confident around water. This includes **Safe Start** and 5,000 complimentary lessons provided during **Splash Week** to prevent the tragedy of childhood drowning.

20,000

Attendees + 374 Volunteers made **Healthy Kids Day**, a free, family-friendly event focused on kids' health, wellness and safety a success!

640

kids a day getting healthier meals. Sysco and the Y have teamed up to offer healthier meals for more than 640 kids – every day – at our **Walt Disney World Early Childhood Development Centers**.

67,209
KIDS BENEFITED

In 2015, more than 67,209 kids, aged six months to 18 years, benefited from Y programs. That may be a big number, but we've set our sights even higher, striving to **empower 100,000 kids** by the year 2020.

AND

**ONE
GIVING BACK**

When **Kingsley Clark** was 11, his first experience with the Downtown Y was when he snuck over the fence to swim in the pool after closing. Rather than turning him away, Kingsley was "adopted" by Y staff and members, who mentored him right up until the day he entered Marshall University on a football scholarship. Now a young professional and family man, Kingsley gives back by serving on the Downtown Y board. He and son, Kingsley, Jr., are also a dynamic duo on the basketball court.

FOR HEALTHY LIVING

BIG CHANGES IN COMMUNITY HEALTH

ONE small STEP AT A TIME.

412,500

PEOPLE EMPOWERED TO GET HEALTHIER FOR LIFE.

In moving people from sick care to "health" care the Y is developing personalized programs and **prevention-based pilots** to help people live stronger for longer.

AND

ONE

DETERMINED SURVIVOR

Following cancer treatment, **Paul Griffin**, a member of the **Roper Y**, is regaining his strength, stamina and confidence through **LIVESTRONG** at the Y, a 12-week program designed to empower cancer survivors.

With his energy and outlook improving every day, Paul is ready to take on the world.

Paul Griffin, Livestrong at the Y program participant, Roper Y.

How do you help people live healthier lives?

Offering them places and programs for working out is critical, but it's not enough. Connecting them to quality medical care is essential, but it's not enough. Teaching them how to take charge of their health is empowering, but it's not enough.

\$1.7 MILLION

awarded by the **United Health Foundation** to launch the YMCA's **HealthierLifeRX**, A three-year pilot to connect people with a physician and the Y to help prevent chronic disease.

Healthy Living hub

A **\$500,000 grant** from the **West Orange Healthcare District** and **\$200,000** from **Orlando Health** have helped us expand the **Roper Y** into a Healthy Living destination, complete with a Health Performance Center, and health classes by **Orlando Health/Health Central Hospital**.

3,000

people learned how to take charge of their health through the **YMCA's Diabetes Prevention program**. On behalf of Y partner **Novo Nordisk**, NBA All Star **Dominique Wilkins** visited the Y to share his personal story about managing the disease.

Helping kids BEAT OBESITY

Through our **Healthy Weight and Your Child program**, kids and their families, learned how to eat well and keep young bodies at a healthy weight.

\$700,000 WELLNESS GRANT

Based on the early success of **Communities for Health**, the Y's workforce wellness pilot program, **The Kresge Foundation** awarded this grant with an eye to national expansion.

\$1 MILLION FROM SODEXO TO LAUNCH COMMUNITIES FOR HEALTH

The three-year workforce wellness pilot targets employees and their families, connecting people to health screenings, educational resources, the **Y's Diabetes Prevention Program**, fitness activities, and diet and nutritional services.

AND

ONE ACTIVE LEADER

Jill Rainford loves her job. Who wouldn't? As a **YMCA Health & Movement Specialist**, Jill is helping more than 650 employees get up, get active and develop healthier habits through **Communities for Health**, a workforce wellness initiative the Y is piloting with **Sodexo**. Look for Jill in and around the best workplaces in Orlando where she is leading noontime walking groups, mid-day workouts, break-time energizers and healthy cooking demos.

Jill Rainford,
chief motivator
and YMCA Health
and Movement
Specialist.

To champion healthy behavior at every level, you must build strong relationships with everybody involved:

From working parents who want to prepare healthier meals for their kids to healthcare providers who want to offer better service to their patients.

That's what we're doing at the Y. And it's transforming how our community approaches and achieves health in a big way.

Technogym and MyWellnessCloud extend fitness outside the walls of the Y

5,000 MEMBERS

at the **Downtown, Dr. P. Phillips** and **DeLuca Ys** are taking their workouts to new levels, setting personalized goals and accessing fitness programs inside and outside the four walls of the Y.

AQUATICS

Our own **Rowdy Gaines**, YMCA Vice President of Aquatics and three-time Olympic gold medalist, led the relaunch of **YMCA Swim Academy**. The YMCA Aquatic Center showcased more than 60 Olympians, including Michael Phelps, during the nationally televised **Arena Pro Swim Series**.

Making fresh, healthy food easier for everyone to find

With a **\$100,000 grant** from the **U.S. Department of Agriculture**, new farmer's markets and community gardens at the **Roper, Dr. P. Phillips, Downtown, South Orlando, Wayne Densch, Tangelo Park** and **Osceola Ys** will make fresh, healthy food easily accessible to their communities.

Diana Ortega Sen and Tom Allocco are healthy enough to travel again, thanks to the YMCA's HealthierLifeRX.

\$1.7 MILLION
GRANT FROM
UNITED HEALTH FOUNDATION

With the support of physicians, Y health coaches, and medically based services, **HealthierLifeRx** assists individuals in preventing chronic disease and establishing healthy lifestyle habits.

AND

ONE
UNSTOPPABLE COUPLE

When **Tom Allocco** and **Diana Ortega Sen** arrived at the Y last year, Tom was in a wheelchair and Diana could barely walk after back surgery. Through the Y's **HealthierLifeRX**, a health and wellness pilot funded through **United Health Foundation**, they're back on their feet and moving fast. To celebrate Tom's 80th birthday, the couple recently traveled to St. Martin, something they never thought they'd be able to do. Says Diana: "The Y literally gave us back our lives."

FOR SOCIAL RESPONSIBILITY

TRANSFORMING A **BIG**
COMMUNITY

One FAMILY, CHILD AND SENIOR AT A TIME.

A photograph of two men standing against a white background. On the left is Patrick Washington, a 25-year-old Y associate and mentor, wearing a green polo shirt with a 'Y' logo and 'SPORTS STAFF' text, khaki shorts, and white sneakers. He is holding a basketball in his right hand and looking down at a young boy. On the right is Donovan Bass, a young boy wearing a blue Orlando Magic basketball jersey, grey shorts, and blue sneakers. He is looking up at Patrick Washington with a smile.

22,307
PEOPLE PUT THEIR
COMMUNITY FIRST

A **record number** of advocates, donors and volunteers supported the Y cause to strengthen our community. This is extraordinary progress toward our goal of attracting 40,000 advocates by the year 2020.

AND

ONE
MENTOR STEPS IN

You know the saying about 'idle hands'? **Donovan Bass** was one of those kids who had a hard time staying out of trouble. That's until **Patrick Washington**, his Y mentor, stepped in. Through a shared love of basketball, Donovan is learning new life lessons while scoring big points on the court, in the classroom and at home.

DR. P. PHILLIPS Y

The **Dr. P. Phillips Y** concluded the first phase of its 10,000 sq. ft. expansion, with the full project underwritten by Dr. Phillips Charities. Once complete, this newly transformed Y will include a Healthy Living café, the largest group exercise studio in Orlando and expanded space for Orlando Health programs and services.

ROPER Y

The **Roper Y** unveiled a 7,000 sq. ft. renovation, including a new Health Performance Center and a mobile teaching kitchen. The project was underwritten with support from the West Orange Healthcare District, Orlando Health and Health Central Hospital.

TITUSVILLE Y

J. DOUGLAS WILLIAMS Y

The **J. Douglas Williams Y** added new classroom space, funded through Orlando Health, to accommodate the health care provider's growing schedule of educational programs.

What does it really mean to unite a community?

It's more than helping a few kids flourish in school and out. More than helping a few people stay healthy for a lifetime. More than helping a few families grow stronger and build a better future.

AND

While we are proud to serve one child, one person and one family at a time, we never lose sight of our bigger goal.

25 YEARS OF MENTORING

YMCA **Teen Achievers** program turns 25, which means that **12,283 youth** have been encouraged, inspired and mentored since 1990. With 90% of Achievers going on to college or post-secondary success, **Heart of Florida United Way** awarded a **\$405,000 grant** to expand Achievers to three new school sites.

AND

“Great things are not

a series of **small** things

Vincent van Gogh

Donovan Bass,
Y kid and
future mentor,
Winter Park Y.

For over 150 years, the Y has been working to empower our community for good.

Every action, interaction and initiative pushes us closer to our ultimate goal. Soon, we will be able to say that we transformed the lives of 600,000 people across Central Florida and created a better community for their children, and their children's children, to inherit. This big mission is what keeps us moving forward.

Still, if you've ever seen the smile on a child's face when she sinks the winning basket, or heard the pride in a mother's voice when she tells you her daughter will be the first in the family to attend college, or felt the strength in a senior's hand as he takes his first real steps after a fall, you would understand that it's these little things, these innumerable, immeasurable, invaluable little things, that make our work worthwhile.

DEAR FAMILY AND FRIENDS:

We are blessed to live in a wonderful community. Yes, Central Florida is a terrific place to live, and not just because of our climate and plethora of outdoor activities, but because of our people. The people of Central Florida care deeply about and for one another. And, that is unique.

What makes the Y unique is that we have been a critical part of Central Florida for so many years, and as our community has grown and evolved, we have evolved right along with it. For decades, the Y has addressed the big issues, the big needs of the community as a whole, while never losing sight of the needs of the individuals, the moms, dads, kids and seniors who need what we offer in order to make the most of their lives.

The BIG and the SMALL. That's what we're about. And through the generous support of **Dr. Phillips Charties** we are working on solving big issues like the obesity epidemic, as well as the small things like teaching that little boy on the basketball court about sportsmanship, teamwork and respect so that he can grow up to be a successful adult and a role model himself.

Our success in creating big programs, like our **Diabetes Prevention Program**, and forming big partnerships, with **Sodexo, Orlando Health** and others is big news. But just as important is our commitment to the seemingly small things, like helping a single mom who is going through a hard time or providing a place for seniors to find camaraderie and support on a daily basis.

These are the things that make us proud to be a part of this truly special organization. And these are the things - the big and the small - that we celebrate in this year's annual report.

Together, by focusing on the big and the small, we are empowering our community for good.

One of Andy's favorite philanthropic causes has been the Y Links2Learning Golf Center at the South Orlando Y, which teaches inner-city kids a new sport, along with the STEM skills behind it. **REMEMBERING
JIM HINSON
1937-2015**

The Y lost one of its greatest friends and advocates in 2015 with the passing of Jim Hinson, former President, CEO and Chairman of Dr. Phillips Charities.

Jim's philanthropic leadership inspired all of us to reach higher, dream bigger and never lose sight of what matters most.

From turning the first spade of dirt at the early Dr. P. Phillips YMCA to paving the way for our organization to become Dr. Phillips Charities' primary support agency, Jim Hinson believed in the Y's mission to improve lives and communities.

Closest to his heart was Safe Start, the Y's infant water survival program that he helped establish in 1999. Never far from his desk was a huge book of letters from grateful parents whose children had been saved from drowning.

We deeply miss Jim. But his legacy will live on in the millions of lives that have been touched by his deep love and steadfast support of the Y.
