# MISSION AND MOMENTUM

YMCA OF CENTRAL FLORIDA | 2018 COMMUNITY REPORT

# Like the community we serve, the YMCA never stops moving.

How could we? It takes tremendous action to change a life. The Y is on a mission to change lives all across Central Florida. So we've spent the last 133 years in a state of motion. Evolving alongside our region. Gaining momentum as we grow. Welcoming more people, creating new opportunities and tackling the challenges that threaten our neighborhoods and families.

The year 2018 marked a tipping point. For as much as the Y has sparked transformation in the past, our future holds the greatest potential for impact yet.

## DEAR Y COMMUNITY,

As we look back on this last year, we're struck by the many ways the YMCA of Central Florida has worked to carry out our mission to improve the lives of everyone in our Central Florida communities.

**Today, our kids and teens are dreaming bigger, discovering new talents, building character and making real-life connections.** Individuals of all ages and abilities are coming to the Y to find the resources, knowledge and support they need to live healthier lives. And more and more people – regardless of age, income, background or ZIP code – have access to the Y programs and services they need to learn, grow and thrive.

**In 2018, we celebrated 50 years of impact in our Winter Park, South Orlando and Downtown Orlando communities.** For five decades, the Y has helped kids and teens develop into strong, healthy and well-educated adults. And today, these adults are working to **strengthen our community**, utilizing the tools, values and skills they learned growing up with the Y. They are giving back to help neighbors in need, and now, they are trusting us to help nurture the potential in their children, too. This milestone is a true testament to the Y's lasting impact.

**Our work isn't done, but our future is brimming with opportunity.** We'll continue planning and fundraising efforts to bring the vision of our **23rd YMCA location to life** in The Packing District,

thanks to a lead gift of \$8.9 million plus the land from Dr. Phillips Charities. We are working diligently to craft an innovative Y experience where neighbors connect, lives are improved and our community is strengthened for generations to come.

**Today and tomorrow, we remain committed to our mission to improve the lives of all those in our Central Florida communities – those facing difficult and ever-evolving challenges.** Something as small as a ZIP code can determine a child's future and success. Families are finding it more and more difficult to find time to connect in the midst of a non-stop, fast-paced world.

**But through it all, the Y is here.** And we will continue to be a place of belonging and community that truly transforms lives.

**We have so much to be proud of – and so much to look forward to.** Thank you to our Y staff, members, volunteers, donors, partners and supporters, who make all of this possible.

Together, we are improving lives today. Together, we are creating a better Central Florida for tomorrow.

SINCERELY,

**DAN WILCOX**

# A Transformational Project To Build Community.

NEW, STATE-OF-THE-ART YMCA IN THE PACKING DISTRICT.

In 2018, Dr. Phillips Charities embarked on a visionary revitalization of The Packing District neighborhood. This effort will transform College Park and the surrounding area, creating a vibrant residential and business community designed to foster health and wellness.

And at the heart of this ambitious plan lies a new, state-of-the-art YMCA. This Family Center will serve as a vibrant hub for one of Orlando's most dynamic neighborhoods.

Dr. Phillips Charities invested a lead gift of \$8.9 million, as well as the land to establish the new YMCA, kick-starting the Y's campaign to raise additional funds to bring the full vision to life.

**Designed to encourage community wellness, The Packing District will feature a new regional park, as well as a network of plazas, all connected by pedestrian walkways, bike trails, and a YMCA at the center of it all.**

The Packing District will preserve the rich history of the area with enhancements to existing buildings while creating a new and vibrant place to live, work and play.

- ..... 202 acres of land in the City of Orlando
- ..... Located near Orange Blossom Trail and Princeton Street
- ..... Purposeful public-private development
- ..... 97 acres for industrial and commercial use
- ..... Single and multi-family residential housing
- ..... Retail and office space
- ..... 105 acres of dedicated regional park

**IRIS GONZALEZ**

**Iris Gonzalez could see the Osceola County YMCA Family Center from her house. The sight saved her life.**

She had been on bed rest for nearly two decades, having battled a host of challenging medical issues. At the age of 24, Iris was diagnosed with Type II Diabetes. Four years later, she experienced pregnancy complications so severe that she was advised to terminate the pregnancy. But Iris persisted and delivered a healthy baby boy.

Her medical issues later developed into other serious conditions. Iris was in constant pain, confined to her bed and a wheelchair. With no relief, no answers and no recovery in sight, she was ready to take her life.

But when she looked out her window and saw the Osceola County Y, she felt a small flicker of hope. She made a promise to herself: "Someday, I will go to the Y."

One day, her dad stopped into the Y on his way to visit Iris. He saw people of all abilities, ages and backgrounds – some in wheelchairs, others using walkers and canes – coming together as a community, committed to one another's wellness. He

believed it was the perfect place for Iris to turn her health — and her life — around.

A week later, Iris set foot in the Osceola County Y for the first time. The staff welcomed her warmly and quickly became supportive friends on her journey towards health. With her Y family cheering her on, Iris pushed forward. She graduated first from a wheelchair to a walker, then from a walker to a cane. She tended to her spiritual health as well, joining the Renovation Life Church, which holds services in the Osceola County Y. This spring, Iris was baptized in the Family Center's pool. Despite having a broken foot, she waded into the water to receive the Sacrament.

With the support of her Y family, Iris continues to focus on her health and wellness. Each day, she feels stronger, healthier and more hopeful.

"My life has been saved, bringing me out of years of illness, depression and thoughts of suicide. I am now the Iris I was when I was 20 years old. I love this YMCA!"

## We celebrated 50 years of impact in three of Central Florida's greatest neighborhoods.

It's been five decades since the Y opened its doors in **Winter Park**, **South Orlando** and **Downtown Orlando**. In the years that followed, these locations have become an irreplaceable part of the community for the thousands of neighbors they serve.

Through these three Family Centers and their programs, we annually serve:

**33,700**  
MEMBERS

**4,600**

KIDS THROUGH PROGRAMS

**4,014**

NEIGHBORS IN FINANCIAL NEED

Hundreds of our adult Members at Winter Park, South Orlando and the Downtown Y first came through their Family Center as a child, hand in hand with a parent. These Members grew up at the Y, playing sports on these fields and attending our summer camps and after-school programs.

And now, they've returned to the Y, their own children in hand, to begin the cycle of growth in spirit, mind and body all over again. They serve as volunteers and campaign chairs, ensuring that the programs that shaped their young lives will live on to strengthen future generations. They step up to nurture their communities, living the values that the Y nurtured in them.

**KIERRA LAW**

With her first year of college rapidly approaching, Kierra Law learned that leaning on friends and family for support is a happier, healthier way to cope with stress.

"I was really stressed about trying to balance my family responsibilities with my upcoming transition to college, and it was having a major effect on me. I was beginning to isolate myself," Kierra says.

She learned about the YMCA Christian Values Conference from a friend who participated in the YMCA Teen Achievers program: "I thought it would be a great opportunity to strengthen my connection with God, experience the beautiful mountains in a place I had never been before and establish meaningful relationships with others."

At first, Kierra had reservations about traveling out-of-state with more than 100 teens she had never met before. When she arrived, however, she quickly bonded with her family group and formed friendships that continue to this day.

"I never imagined that I would form such a strong bond with a group of strangers over such a short period of time. We laughed together, cried together and shared things that we had never shared before. The conference

provided me with a support system that will last a lifetime," she says.

The weeklong conference also provided Kierra with the tools and support she needed to rejuvenate her spirit: "I learned how to put my trust in God and in the people around me to help me find healing and forgiveness, and to be at peace with myself and my faith."

Kierra returned from the conference with a new outlook on life. "I can definitely live a happier and healthier life, and be more open and honest with those around me in an effort to strengthen the relationships with the people I care about."

These days, Kierra is nearing the end of a successful freshman year at Wake Forest University, where she is pursuing a Psychology major, a Neuroscience minor and a concentration in Criminal Justice. After she graduates, she hopes to become a practicing Neuropsychologist. However far her future takes her, she will always count on her Blue Ridge family and the lessons she learned from them.

# We invested in the improvement of our Family Centers, thanks to the generosity of our partners.

The Y is here to serve as a welcoming home away from home for men, women and children across our community. Making sure they have access to excellent Family Centers filled with state-of-art equipment is critical to our mission. We're always striving to improve our offerings, and in 2018, thanks to a few generous supporters, we embarked on several exciting renovations. With expanded and redesigned spaces, updated equipment and furnishings, and a number of key accessibility improvements, our renovated Family Centers will elevate the entire Y experience, inside and out.

**We kicked off renovations at the J. Douglas Williams YMCA and the Wayne Densch YMCA thanks to the generous donation of the Wayne M. Densch Charities and the Leonard Williams Sr. Family.**

**The YMCA Aquatic Center was renamed the Rosen YMCA Aquatic Center in recognition of the long-standing support of Harris Rosen. Renovations are underway.**

**With support from The Walt Disney World Resort®, The Learning Centers Operated by the YMCA of Central Florida were renovated.**

## GRAYLING HARRIS II

**A dedicated single father, Grayling Harris II knows that being there for his kids, Trey and Evalyn, matters more than anything.**

He chooses to work the less lucrative lunch shifts as a server, leaving nights and weekends free for helping with homework, coaching the kids' soccer teams and spending quality family time together.

He does photography and graphic design on the side, but still, every dollar matters. Last year, Grayling knew that summer camp at the Titusville YMCA was simply not going to fit in the budget.

The Titusville Y is home for the Harris family. It's a safe place that welcomed Grayling and his kids with open arms by gifting the family with a membership, partially funded by others members' dues and the generosity of donors. It's a place that lets Grayling take care of himself for a little while, working out on the wellness floor and basketball court while Trey and Evalyn stay active and engaged in the Child Development Center.

In addition to their physical health, the Harris family grows stronger in spirit and connects with their neighbors through Grove Church, which meets weekly in the Titusville Y. Grayling, Trey and Evalyn help set up on Saturday and help clean up after the Sunday services. Grayling has even begun outlining a workshop at the

church to empower and educate single parents on ways to connect and spend time with their kids.

"Grove Church is special. It's a place welcoming and open to all people – especially those who might not feel comfortable attending a traditional church. It's a church my kids are actually excited to attend. That's always been really important to me. It's a tight-knit community that has done so much for my family," he says.

Last summer, Grove Church surprised the Harris family with their best summer ever by sponsoring Trey and Evalyn to attend all 11 weeks of summer camp at the Titusville Y. Thanks to the generosity of his church community, Trey and Evalyn spent their summer learning, staying active and making new friends at the Titusville Y instead of spending long days sitting at the restaurant.

By becoming involved with Grove Church and additional Y services and programs, the Harris family lives a healthier lifestyle, has become more connected to their community and gives back to others regularly with their time and talent.

## FINANCIAL SUMMARY

Every day at the Y, we work to make our communities stronger. That work simply wouldn't be possible without a strong financial foundation. Our cause and our financial commitments go hand in hand. That's why we closely track all our efforts, carefully measuring impact and keeping a keen eye on the bottom line. And this makes our commitment to our cause even stronger.
