Join Us on the Course and Help Promote Our Cause

The YMCA of Central Florida is a nonprofit that's been serving Central Floridians since 1885, committed to the idea that our communities can be better tomorrow than they are today. Our impact is felt daily across six counties and our obligation to **deliver lifesaving programs and services to kids, teens, adults, and seniors** is continuously growing. Together with our members, advocates, and volunteers, and partners, we'll continue to embrace innovation and be a force for transforming communities in Central Florida.

Benefiting the Dr. P. Phillips YMCA and Roper YMCA

The Annual Giving Campaign allows us to support community health services like our food distribution events as well as funding Y scholarships. Y scholarships provide financial assistance to individuals and families so they can access membership and programs like swim lessons, Youth Sports, and out-of-school enrichment.

Help Ensure a Brighter Future for Neighbors in Need

By becoming a sponsor, you'll help us carry out our mission through lifesaving aquatic safety, out-of-school, and community health programs funded by our Annual Giving Campaign.

- › **We taught water safety skills to 13,000 youth across the state in 2019 through our swim lessons, and we hope to increase that number to 15,000 by the end of 2021.**
- › **13,000 children and teens are served through youth sports programs focused on developing self esteem, team work, and sportsmanship**
- › **We've partnered with food pantries, restaurants, and nonprofits to host food distribution events, giving out 11,000+ boxes to individuals and families.**
