BENEFITING THE DR. P. PHILLIPS YMCA

By becoming a Southwest Orange Golf Classic Sponsor, you play a crucial role in our mission to provide lifesaving aquatic safety, essential out-of-school programs, and vital community health initiatives. Your support through our ANNUAL GIVING CAMPAIGN makes this possible.

The ANNUAL GIVING CAMPAIGN empowers us to offer critical community health services, such as food distribution events, and to fund Y scholarships. These scholarships provide financial assistance to individuals and families, enabling them to access membership and participate in transformative programs like swim lessons, Youth Sports, and out-of-school enrichment. Your contribution helps build a healthier, safer, and more supportive community for all.

Together, we can create a brighter tomorrow.

Since 1885, the YMCA of Central Florida has been dedicated to improving our communities. Serving six counties, we deliver lifesaving programs and services to kids, teens, adults, and seniors every day. With the support of our members, advocates, volunteers, and partners, we continue to innovate and transform lives across Central Florida.

YOUR GENEROSITY IN ACTION

We taught water safety skills to 13,000 youth across the state in 2019 through our swim lessons, and we hope to increase that number to 15,000 by the end of 2021.

13,000 children and teens are served through youth sports programs focused on developing self esteem, teamwork, and sportsmanship.

We've partnered with food pantries, restaurants, and nonprofits to host food distribution events, giving out 11,000+ boxes to individuals and families.
